FOOT BALL EQUIPMENT

If You Wear---

**Goldsmith Equipment
You Are Sure To Be**

"JUST A YEAR AHEAD"

Correct athletic equipment is of paramount importance to the amateur as well as to the professional. Goldsmith Guaranteed Foot Ball Equipment and Foot Ball Clothing combine minimum weight with maximum protection, durability and service. Their design and construction are in accordance with suggestions of athletic directors and coaches of leading University and College Teams. Goldsmith Foot Ball Equipment contains special features of construction many of which are patented. It is our constant endeavor not only to keep pace with, but to anticipate the various demands. New and original ideas for the better protection and comfort of the players are constantly being designed.

COLLEGE BASKET BALL CATALOG

Our College Basket Ball Catalog is a special edition prepared for College, University and High School reference, and features Basket Ball Equipment and Clothing only. It contains a complete color chart and samples of material, and will be ready for distribution October 1st, 1924.

Goldsmith Official "Sure Grip" Collegiate Foot Ball

No. RS

No. RS

Patented Sept. 25, 1917

Guaranteed Two Full Games

No. RS—Each, \$10.00

An exceptionally well constructed ball with the patented (Sept. 25, 1917) outside stitching, which consists of a four-ply waxed linen cord, which re-inforces the regular seam, prevents stretch and affords a better grip for forward passing especially in wet weather. The leather is of the finest English Tempered Hide, backed with two specially constructed linings. Made with small pointed ends—an aid in forward passing. Warranted correct in size, shape and weight, and positively official for use in all games. Each ball packed in a separate box with pure gray-gum bladder, leather lace and lacing needle.

THE TWO-GAME GUARANTEE

The Goldsmith Official Collegiate Foot Balls Nos. RS and F5 are made of the finest quality English Tempered Hide and are guaranteed to retain their shape for two full games. We do not guarantee against variation in size, shape and weight for more than two games or its equivalent amount of use in practice.

GOLDSMITH OFFICIAL COLLEGIATE FOOT BALLS

Nos. RS and F5 are made with a double lining. This construction makes the most durable and substantial ball known, and prevents bulging and stretching. They are guaranteed for two full games. For those desiring an unlined ball, we recommend our No. X5, which is guaranteed for one game only. All Goldsmith Official Collegiate Foot Balls are warranted to comply with the official regulations, and are correct in size, shape and weight.

Goldsmith Official Collegiate Foot Ball

No. F5

Guaranteed Two Full Games

No. F5

No. F5—Each, \$9.00

A superior foot ball in every way. Goldsmith No. F5 Foot Ball has been adopted and is being used as their official ball by many of the leading Universities and Colleges. Exceptional care in the selection of the leather and careful supervision in every detail makes it possible to **guarantee it for two full games**. Made of the finest English Tempered Hide, backed with two linings which prevent stretching and bulging. Shaped with small pointed ends and stitched throughout with nine-ply waxed linen cord. Carefully inspected for weight, shape and size. Guaranteed to comply with the official specifications. Each ball packed separately with pure gray gum bladder, leather lace and lacing needle.

No. X5—Made without a lining for those who prefer a ball of this character, otherwise constructed throughout as our Official Collegiate Ball, No. F5. Made of English Tempered Hide with small pointed ends. Official in size, shape and weight. **Guaranteed for one game only.** Complete with pure gray gum bladder, leather lace and lacing needle. **Each, \$9.00**

OFFICIAL COLLEGIATE FOOT BALL RULES

The Official Collegiate Foot Ball Rules do not mention any particular make of ball as official.

Section 1 states—The ball shall be made of leather enclosing a rubber bladder. It shall be tightly inflated and shall have the shape of a prolate spheroid. Circumference: Long axis, 28 to 28½ inches; short axis, 22½ to 23 inches; weight, 14 to 15 ounces.

No. 5J—"College." Especially suitable for night practice. The leather is heavy pearl cowhide backed with canvas. Can be easily cleaned. Official in size, shape and weight. Each ball in a separate box with pure gray gum bladder, leather lace and lacing needle. **Each, \$6.00**

Goldsmith Foot Ball Helmets

No. 77—Side View

No. 77—Inside View

No. 77—An exceptionally durable, medium weight and well fitting helmet. Constructed throughout of solid fibre molded and shaped to fit the head perfectly. Completely covered with best quality tan leather. Fibre stiffened crown straps. Padded throughout with best quality white felt with an additional shock absorbing sponge rubber cushion ring in the crown. Deep rear extension elastic forehead adjustment. Perforated for ventilation. Adjustable elastic chin strap. Each, \$12.00

No. 75

Showing Sponge Rubber Crown
and Ear Pad

No. 75

No. 75—An exceptionally well built helmet with a new inset rubber ear pad. Finest 6 oz. tan strap leather throughout. Hand molded crown with four fibre stiffened cross bands. Molded and fibre stiffened ears, padded with white felt with specially designed sponge rubber ear cushion. Best white felt padding throughout with sponge rubber cushion ring inserted in the crown. Deep rear extension stiffened with fibre. Kid lined sweat band. Adjustable elastic chin strap. Well perforated. Each, \$10.00

Goldsmith Foot Ball Helmets

No. 72

No. 72—The Adjustable Helmet Without Chin Strap (Patent Pending) represents an entirely new manner of constructing foot ball helmets. The elastic laced back permits the wearer to adjust the helmet to suit himself, which, combined with a close fitting design, makes the helmet fit snugly and firmly and permits the elimination of any fastening beneath the chin. Built entirely of best 6 oz. tan strap leather. Firmly moulded crown with four cross bands stiffened with fibre. The side extensions are unusually deep reinforced with fibre, giving exceptional protection to the cheek and chin. Deep back extension faced with solid strap leather. Best quality white felt padding throughout with an additional soft sponge rubber cushion and felt cushion ring in the crown. (Patent Pending.) Kid lined sweat band. Well ventilated throughout. The finest helmet ever designed. Each, \$9.00

Side View No. 72 Shows Full Temple and Chin Protection

Top View No. 72 Showing Arched Fibre Re-inforced Crown Construction

Goldsmith Foot Ball Helmets

No. 68

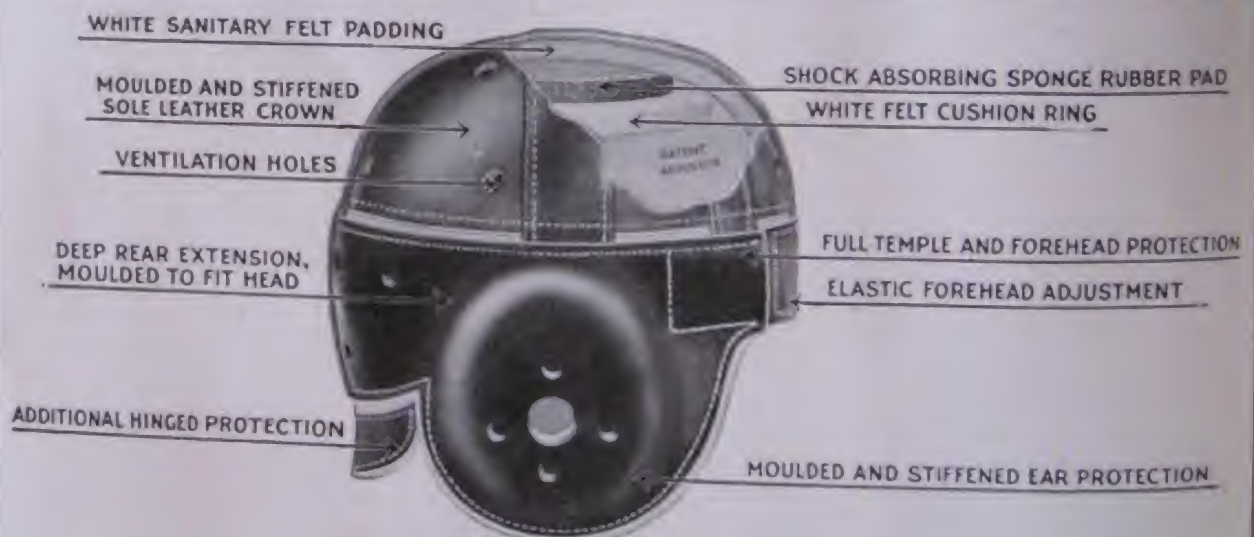

No. 68
Inside View Sponge Rubber Head and
Ear Protection (Patent Pending)

No. 66

No. 68—Sponge Rubber Padding (Patent Pending). Exceptional protection is afforded by the double sponge rubber in the crown consisting of a full layer of sponge rubber padding faced with cloth and an additional sponge rubber cushion ring. Best quality 6 oz. black strap leather, hand molded and stiffened. Hand molded ear tabs padded with sponge rubber. Deep back extension. Elastic forehead adjustment. Kid lined sweat band. Perforated for ventilation. Adjustable elastic chin strap. Each, \$8.00

No. 66—A helmet which combines maximum protection with minimum weight. Firm, black 6 oz. strap leather. Solid hand molded crown with Sponge Rubber Cushion Ring. Heavy leather sides with deep back extension. Lined throughout with soft olive kid. Kid lined sweat band. Elastic forehead adjustment. Well ventilated. Adjustable elastic chin strap. Cool and easy fitting. Each, \$7.50

No. 60

No. 60—Especially built protection in crown consisting of a cushion of soft Sponge Rubber inserted between a double layer of best quality white felt (Patent Pending). Best quality firm, black strap leather throughout. The crown is re-inforced, hand molded and fibre stiffened. Extra large cheek and ear protection. Deep back with an additional hinged rear extension which completely covers the back of head. Heavily padded throughout with white absorbent felt. Kid lined sweat band. Elastic forehead adjustment. Adjustable elastic chin strap. Well ventilated. Each, \$7.00

Goldsmith Foot Ball Helmets

No. 64
(Patent Applied for)

No. 58

No. 64—A good helmet for linesmen. Made with a heavy removable strap leather nose guard. (Patent Applied For.) Solid strap leather, hand molded top, ears, back and removable nose piece. Best quality white sanitary felt padding. Sweat band lined with kid. Adjustable elastic chin strap. Elastic forehead adjustment. Well perforated for ventilation.....Each, \$7.50

No. 58—Sponge Rubber Construction. Six ounce firm tan strap leather. Molded and stiffened crown and ears. Deep back with additional hinged rear extension. White felt padding with an additional cushion ring of soft Sponge Rubber inserted directly beneath the crown. Elastic forehead adjustment. Kid lined sweat band. Adjustable elastic chin strap.....Each, \$6.00

No. 50

Nos. 43T-43-43B

No. 46

No. 50—Constructed with the new Adjustable Elastic Laced Back (Patent Pending) which permits the wearer to adjust the helmet to suit himself. No chin strap. Selected solid 6-oz. tan strap leather. Hand molded and stiffened crown. Reinforced, molded and stiffened ears. Deep back with felt extension. White felt padding with sponge rubber cushion ring inserted in the crown. Kid lined sweat band. Ventilated.....Each, \$7.00

No. 46—Made in solid or contrasting colors. Selected 6-oz. strap leather. Hand molded and stiffened crown, ears and rear extension with white felt padding. Kid lined sweat band. Elastic forehead adjustment. Well ventilated. Adjustable elastic chin strap. Made in the following solid and contrasting colors.....Each, \$5.50

No. 46W—White.

No. 43T—Suitable for "prep" and high school use. Tan strap leather throughout. Molded and stiffened crown, ears and rear extension, padded with white felt. Elastic forehead adjustment. Perforated for ventilation. Adjustable elastic chin strap.....Each, \$5.00

No. 43—Black strap leather, otherwise the same as No. 43T. Crown, ears and back extension are hand molded, stiffened and padded with white felt. Elastic forehead adjustment. Adjustable elastic chin strap. Well ventilated.....Each, \$5.00

No. 43B—Boys' size. Built throughout of the same leather and in the same manner as No. 43. Molded and stiffened crown padded with white felt. Elastic forehead adjustment and elastic chin strap. Ventilated.....Each, \$4.50

Goldsmith Foot Ball Shoulder Pads

No. EP—Elastic Pivot Pad

No. EP—Elastic Pivot. A new construction designed to permit freer movement of the arms for the present aerial game. Constructed in two sections and joined at the inside point over the collar bone to form a natural pivot which permits the upper part to move independently of the lower with the raising of the arms. Elastics at the outside point automatically return the pad to its normal position when the arms are lowered. Molded and stiffened re-inforced shoulder caps. Heavy white felt padding. The elastic fastenings around the chest are adjustable and hold the pad firmly in place without binding. "Jiffy" quick lacing device. Ventilated. Each, \$12.00

No. P—Pivot Pad

No. P—Pivot Pad. A distinctive Goldsmith construction made with the new interlocking center, which permits raising of the arms without binding, and is a distinct aid in forward passing. Selected tan strap leather throughout. Shoulder caps are re-inforced, molded and stiffened, are laced to the pad, and are adjustable to the breadth of the shoulders. Heavy white sanitary felt padding throughout. Pad is held firmly in place by adjustable elastics around the chest. "Jiffy" quick lacing device. Well ventilated. Each, \$11.00

Goldsmith Foot Ball Shoulder Pads

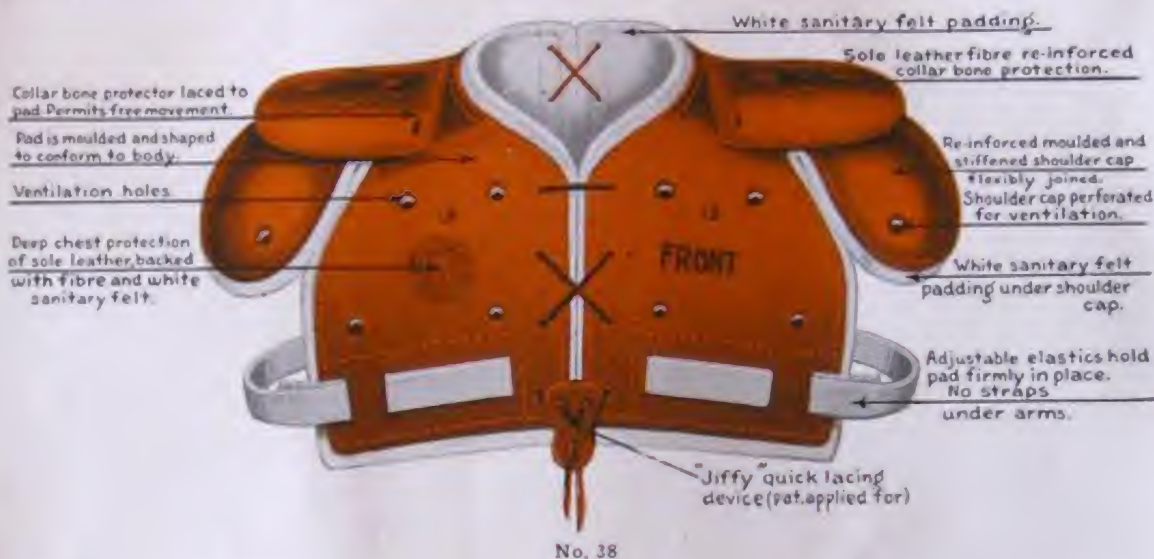

No. 40

No. 39

No. 40—Made with sponge rubber padding. Solid strap leather chest and collar bone protection. Soft and flexible **sponge rubber** padding throughout. Molded and stiffened re-inforced strap leather shoulder caps. Elastic arm bands. "Jiffy" quick lacing device. Ventilated. Each, \$10.00

No. 39—Made to completely cover the chest and back. Strap leather shoulder caps and collar bone protection backed with best white felt padding. Chest and back covered with horizontal leather strips. "Jiffy" quick lacing device. Elastic arm bands. Perforated for ventilation. Each, \$10.00

No. 38

No. 38—A pad that affords exceptional protection. Finest tan strap leather. Deep front and back with special fibre insert over chest. Molded, stiffened and re-inforced shoulder caps. Sole leather cap over collar bone re-inforced with fibre. Padded with heavy white sanitary felt. Adjustable elastics around chest which permit free movement. Perforated for ventilation. "Jiffy" quick lacing device. Each, \$9.00

No. 37—Solid tan strap leather padded with best quality white felt. Re-inforced, molded and stiffened shoulder caps. Additional fibre shoulder pieces covered with felt laced to pad to give absolute protection over collar bone. Elastic arm bands. "Jiffy" quick lacing device. Each, \$8.00

No. 37

No. 35

Cutaway Section on Right Shows Double Leather Protection Over Shoulder Joint

No. 35—Best quality white felt. Molded and stiffened leather shoulder caps. Leather protection over collar bone overlaid with a heavy strap leather collar which extends well over the shoulder caps. Collar is firmly stitched to pad at inside points only, permitting free use of the arms. "Jiffy" quick lacing device. Each, \$7.50

Goldsmith Foot Ball Shoulder Pads

No. 34

No. 34—A large and easy fitting pad. Made of two layers of best quality white sanitary felt with an insert of fibre over the chest. Molded and stiffened shoulder caps laced to pad with elastic lace. Molded and stiffened extension over shoulder joints gives positive protection. Elastic arm bands. "Jiffy" quick lacing. Each, \$7.00

No. 33

No. 33—Light in weight. Heavy white felt covered with solid heavy strap leather. Re-inforced with fibre over chest. Molded and stiffened strap leather shoulder caps with an additional molded extension to cover shoulder joint. Double felt padding under shoulder caps. "Jiffy" quick lacing device. Elastic arm bands. Each, \$6.50

No. 31—Cut-away Section on Right Shows Double Felt Padding and Leather Protection Over Collar Bone

No. 31—A pad designed by a prominent coach, which has proven extremely popular. The chief feature is the double thickness of white felt padding faced with solid tan strap leather which completely covers the chest and collar bones. Solid strap leather protection over shoulder joint. Shoulder caps are of molded and stiffened strap leather. Light in weight and won't bind. Elastic arm bands. Fitted with "Jiffy" quick lacing device. Each, \$6.00

No. 30

No. 30—Tan strap leather throughout with best quality white sanitary felt padding. Re-inforced, hand molded and stiffened shoulder caps. Additional molded and stiffened extension over shoulder joint. Elastic arm bands. "Jiffy" quick lacing device. Perforated for ventilation. Each, \$6.00

No. 22

No. 22—Best quality heavy white felt with strap leather collar bone protection. Molded and stiffened shoulder caps. Fibre shoulder pieces covered with felt to protect collar bone. "Jiffy" quick lacing device. Elastic arm bands. Each, \$6.00

No. 20

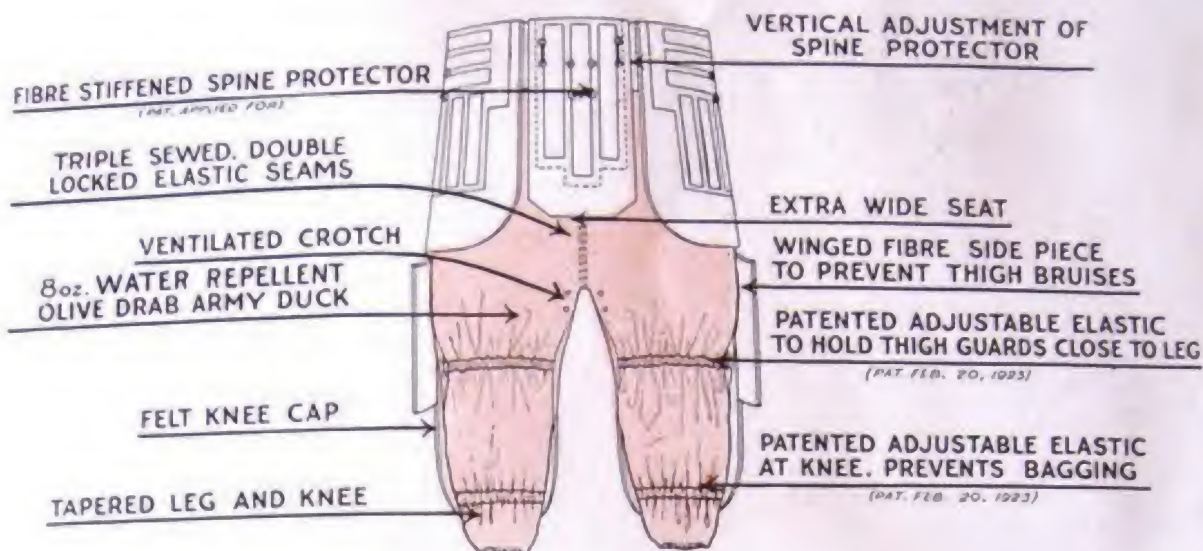

No. 20—White sanitary felt with tan strap leather over collar bone. Molded and stiffened shoulder caps with extension over shoulder joint. "Jiffy" quick lacing device. Elastic arm bands. Each, \$5.00

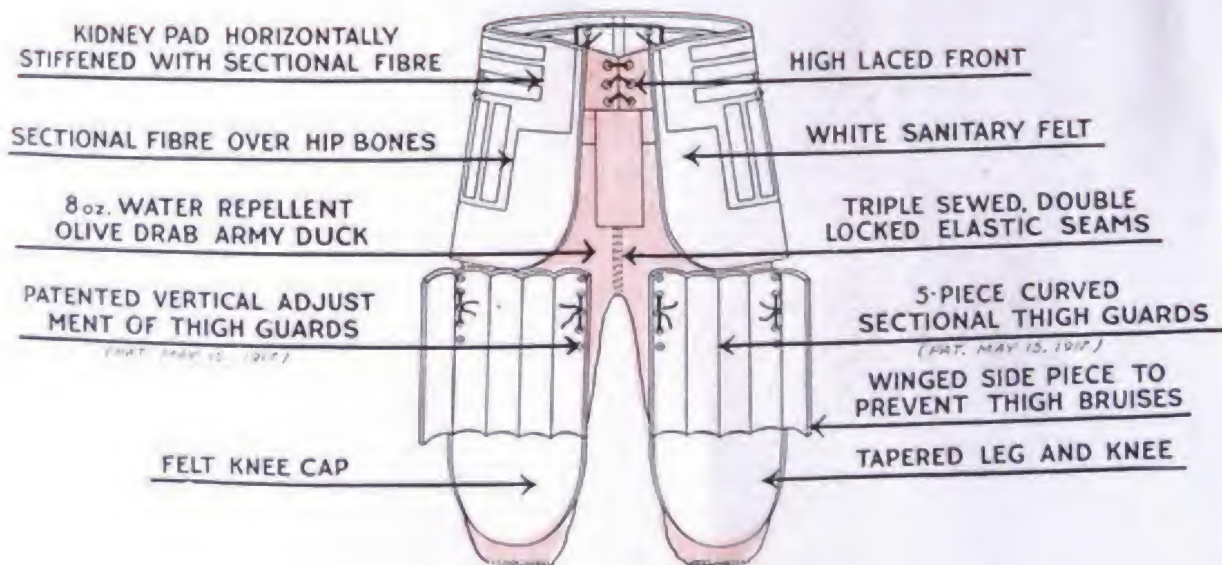

No. 18

No. 18—Tan strap leather collar bone protection. Molded and stiffened shoulder caps. Best quality gray felt padding. "Jiffy" quick lacing device. Elastic arm bands. Each, \$3.50

Goldsmith Inner Harness—Foot Ball Pants

No. 9H—Back View

No. 9H—Inner Harness

No. 10P—Skeleton Pants

No. 9H—The Goldsmith Inner Harness permits more freedom of action and greater speed. Attaching the thigh and knee guards directly to the kidney pad removes the weight from the pants and prevents the thigh guards from twisting and turning. Kidney pad is of white felt, khaki covered and diagonally stiffened with fibre. The patented (May 15, 1917) four piece sectional molded fibre thigh guards are adjustable and are held closely to the leg by adjustable wide elastic bands in the rear. New designed knee pad with curled hair filling, which will not mat or harden. Used by many leading University Teams.....Each, \$10.50

No. 10P—Skeleton Foot Ball Pants. Made without padding to slip over No. 9H Harness. Finest quality 8 oz. water proof duck. Tunnel belt loops, high laced front. Triple sewed, double locked elastic seams. Ventilated crotch.....Per Pair, \$4.50

No. 050

No. 050—Finest quality 8 oz. olive drab, water repellent, army duck. Kidney Pads are khaki covered with one piece curved fibre inserted over the kidneys and hip bones. Adjustable one piece curved fibre thigh guards with felt knee caps. Full seat, narrow tapering legs, fitted with adjustable elastics (Pat. Feb. 20, 1923), which hold the thigh guards close to the legs. Adjustable fibre stiffened felt padded spine protector. Ventilated crotch, semi-tunnel belt loops. Triple sewed, double locked elastic seams...Per Pair, \$16.50

No. 049—Sponge Rubber Hip and Knee Pads. Sponge Rubber Spine Protection. Eight ounce water proof army duck. White felt kidney pads, khaki covered, adjustable and detachable, horizontally stiffened with fibre with a layer of sponge rubber over the hip bones. Adjustable sponge rubber spine protector. Adjustable, four piece, curved, sectional fibre thigh guards (Pat. May 13, 1917) with winged side pieces which protect the sides of the legs. Sponge Rubber knee caps backed with white felt. Adjustable elastics (Pat. Feb. 20, 1923) in the rear of the legs and knees. Triple sewed, double locked elastic seams. Full and roomy in seat, tapering legs, ventilated crotch, tunnel belt loops.....Per Pair, \$15.50

No. 049

Goldsmith University Foot Ball Pants

No. 045

Showing Construction of
New Inserted Crotch
in Nos. 045-035
Foot Ball Pants

No. 045—Made with the new "Rip-Proof" inset crotch re-inforced with leather. Designed for University and College Teams. Best quality water repellent 8 oz. olive drab army duck. Non-detachable white felt kidney pads vertically stiffened with flexible fibre. Sewed in four piece, curved sectional fibre thigh guards (Pat. May 15, 1917), with winged side pieces, padded with white felt. Large, roomy seat with tapering legs with lacing at back to hold thigh guards in place. Triple sewed, double locked elastic seams. Adjustable elastics at knee (Pat. Feb. 20, 1923). High laced front, buckle and strap, semi-tunnel belt loops. Ventilated leather knee caps. **Per Pair, \$14.00**

No. 042—Eight ounce water repellent olive drab army duck. Adjustable and detachable white felt padded kidney pads horizontally stiffened with sectional fibre (Patented May 15, 1917). Adjustable, four piece curved sectional fibre thigh guards padded with white felt. Winged side piece for protecting the side of the leg. White felt spine protector, fibre stiffened and vertically adjustable. Molded and stiffened strap leather knee caps backed with white felt. Thigh guards are held firmly in place by adjustable elastics at the rear of the legs and knees (Pat. Feb. 20, 1923). Triple sewed, double locked elastic seams. High laced front, ventilated crotch, buckle and strap. **Per Pair, \$13.50**

No. 042—Leather Knee Cap

No. 035

Knee Construction No. 035
Showing Double Felt
Padding

No. 035—Special features of these pants are—lightness in weight, the double felt shock absorbing knee caps and the inserted crotch. The material is 8 oz. water repellent army duck. Kidney pads are of white felt, non-detachable and vertically stiffened with fibre. Thigh guards are of the patented (May 15, 1917) four piece construction with winged side pieces and are vertically adjustable. Especially constructed shock absorbing double felt knee caps consisting of a layer of felt sewed directly over the knee and covered with khaki in addition to the regular loose hanging felt knee caps attached to the thigh guards. Full seat with new "Rip-Proof" inserted crotch. Triple sewed, double locked elastic seams. Tapering legs with laced back and patented (Feb. 20, 1923) adjustable elastics at the rear of the knees. Ventilated crotch, high laced front, tunnel belt loops, buckle and strap. **Per Pair, \$12.00**

Color Chart

Showing Actual Shades of Colors that Are Furnished in
Athletic Jerseys - Athletic Hose

Color guarantee has been withdrawn. We use the best dyes that can be secured. To partially help set color, soak garment for 1½ hours, using ¾ of a cup of salt to three pints of clear, cold water. Rinse in clear, cold water, wring by hand and hang up to dry. Use only cold water and pure soap when washing.

Goldsmith's "College Special" Foot Ball Jerseys Nos. F8 and F7

Are knit in our own factory and are designed to meet the increasing demand for strong, well wearing jerseys particularly suitable for Foot Ball use. The single seam, extra roomy, raised shoulder, without gusset is a special feature, which provides an easy fit over the shoulder pad and permits raising of the arm without pull on the jersey. Sleeves are made with double re-inforced elbows and hemmed edges without cuffs. Made in two grades only—No. F8, long fibre heavy pure all worsted, and No. F7, long fibre re-inforced worsted.

No. F8—F7

Nos. F8—F7
Style M2 Stripe

No. F8—Selected long fibre heavy weight pure all worsted. Made to order in all standard solid colors or two-color combinations with any style of striping.....Each, \$6.50

No. F8 Jersey is carried in stock for immediate delivery, sizes 34 to 46, in the following color combinations:

Cardinal Body—White M2 Sleeve Stripe.
